### Thanks EBCO

We would like to express our appreciation and gratitude to Nevin Ebaugh and his EBCO builders team. Over the years, EBCO has done numerous projects here at the Blowing Rock Conference Center. Their latest project has been the renovations of our family cottages. EBCO has always exceeded our expectations, and it was no different this time around. Nevin, Jose, Joaquin, and Tony take pride in their work, and it always shows in the finished project.

Thank you guys for all of your hard work at the Blowing Rock Conference Center.

### Staff Profile

Larry Grimm joined our team as Site Manager in January 2017. He and his wife Melissa came to us from Plantation, Florida where Larry worked as a police officer for thirty years. Larry has always had a great love of the mountains, so when the opportunity to work at BRCC arose, he couldn't resist. His main duties include taking care of our guests' needs, maintenance, landscaping, and on-call duties. He has quickly become a valuable asset to the Blowing Rock Conference Center.

Larry is most at home outdoors, and many folks have commented that the grounds look the best that they have ever looked. In his spare time, Larry enjoys backpacking, golfing, riding his motorcycle, and taking long drives in the high country area.

Larry, thanks for all that you do to make sure that our mission is carried out every day.
